The drawing shows a side elevation of a metal structure. The main body consists of three vertical panels separated by two vertical supports. The top horizontal section has a total width of 6.00 meters, divided into segments of 1.00, 2.00, and 1.00 meter. The height of the structure is 1.00 meter. The bottom horizontal section has a total width of 6.00 meters, divided into segments of 0.30, 4.40, and 0.30 meter. The structure is supported by four vertical legs. The leftmost leg is labeled "TUBO ESTRUCTURAL METALICO DE Ø 1 1/2\"". The rightmost leg is labeled "TUBO ESTRUCTURAL METALICO DE Ø 1 1/2\"". The middle two legs are labeled "TUBO ESTRUCTURAL METALICO DE Ø 1 1/2\"". The top horizontal section is labeled "ESTRUCTURA METALICA CON ACABADO A DOS MANOS DE ANTICORROSION DE DIFERENTES COLORES Y UNA MANO DE ESMALTE COLOR ORO".
