Architectural drawing of the Hospital de Niños Benjamín Bloom El Salvador. The drawing includes a perspective view of the building's facade, showing a series of rectangular volumes and a central entrance area. A section view is also shown, illustrating the internal structure and the relationship between the building and the ground. The drawing is labeled with 'HOSPITAL DE NIÑOS BENJAMÍN BLOOM EL SALVADOR' and 'ESTR. PLANO DE ENT. AMPLIACIÓN'. The drawing is dated '1964' and includes the name 'M. A. GARCÍA'.
